KARNATAKA ELECTRICITY REGULATORY COMMISSION

No. 16 C-1, Miller Tank Bed Area, Vasanth Nagar, Bengaluru- 560 052

NOTIFICATION

No: KERC/CoS/Tech/DDD/05/20-21/630, Bengaluru, dated 12.10.2020

Draft – Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS) (Ninth Amendment), 2020, the Karnataka Electricity Regulatory Commission (Recovery of Expenditure for Supply of Electricity) (Eleventh Amendment) Regulation 2020 and the Karnataka Electricity Regulatory Commission (Security Deposit) (Second Amendment) Regulations, 2020.

Preamble

The Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS) was notified in the Karnataka Gazette on 17th June 2006, in exercise of the power conferred by Section 16 of the Electricity Act, 2003, (Central Act No 36 of 2003) and subsequently eight (8) amendments were issued from time to time.

Karnataka Electricity Regulatory Commission (Recovery of Expenditure for Supply of Electricity) Regulation, 2004 was notified in the Karnataka Gazette on 16.12.2004 in exercise of the power conferred by Section 46, read with Section 181 of the Electricity Act, 2003, (Central Act No 36 of 2003) and subsequently ten (10) amendments were issued from time to time.

Karnataka Electricity Regulatory Commission (Security Deposit) Regulations, 2007 was notified in the Karnataka Gazette on 11.10.2007 in exercise of the power conferred by Section 47, read with Section 181 of the Electricity Act, 2003, (Central Act No 36 of 2003) and subsequently one (1) amendment is issued.

(ಬಿಆರ್‌ಇ)

Whereas, Bangalore Electricity Supply Company Ltd., (BESCOM), a Distribution Licensee has filed a petition OP 21 / 2020 before the Commission under clause 46 of the CoS of Electricity of the Distribution Licensees in the State of Karnataka. In the petition, BESCOM informed that the Ministry of Power, Government of India has expressed its keenness to improve the Ease of Doing Business (EODB) in Bengaluru city on par with Delhi and Mumbai in pursuance of the World Bank's proposal to include Bengaluru in the country ranking mechanism of 'Ease of Doing Business 2021' with respect to assessing the country's performance in respect of ten parameters which also includes 'Getting Electricity' on the following parameters:

- i) Procedure required to be completed for getting new electricity connection.
- ii) Time taken to get electricity connection.
- iii) Cost required for getting a new connection.
- iv) Reliability of power supply and transparency of tariffs index.

As 'Getting Electricity' is one of the 10 parameters which will be assessed by the World Bank for the Purpose of EODB index and as Bengaluru is proposed to be included in the country ranking mechanism for the determination of India's EODB score, to implement the reforms and the procedure within the timeline the Government of Karnataka directed BESCOM on the following issues;

- to initiate arranging power supply on LT basis, up to 150 kVA within 07days where Right of Way (RoW) permissions are not required and within 15 days in case of requirement of RoW permission (provided BBMP / KPWD / other civic authorities provide consent for RoW within 07days),
- to introduce self-certifications instead of completion report, CEIG approvals, LIFT and Fire clearances, agreements etc.,
- adopt fast track mechanism under the EODB route for providing new electricity connection up to 150 kVA,
- provide options of self-execution or deposit contribution works (DCW) for the consumer to execute the work and to develop and create the required infrastructure within 3 days,
- allow option for making payment of charges viz., Initial Security Deposit (ISD), Meter Security Deposit (MSD), normative charges determined for DCW work etc., at the time of registration of application.

BESCOM vide the said petition has requested to amend the various clauses viz.,

- i) 3.02 (b), 3.02 (c), 9.09 (e), 9.09 (f), 29.04 (a), 29.04 (a) (i), 29.04 (a) (ii) of the Conditions of Supply (CoS) of Electricity of Distribution Licensees in the State of Karnataka, 2006. BESCOM has also requested to add a new Clause 4.10 and include a new Annexure – 12 to the CoS.
- ii) 3.1.1 (A), Note (ii), (iii), (iv) and (v) of 3.1.1 (A), 3.1.1 (B), Note (b) and (c) of 3.1.1 (B) of the Karnataka Electricity Regulatory Commission (Recovery of Expenditure for Supply of Electricity) Regulations, 2004 (RoE).
- iii) 7 (i) of the Karnataka Electricity Regulatory Commission (Security Deposit) Regulations, 2007.

The Commission after hearing the petition, admitted the petition with the directions to implead all the Distribution Licensees in the petition as the CoS, RoE and other regulations issued by the Commission are uniformly applicable to the entire State. All the distribution licensees have filed the petitions under Section 94(2) of the EA 2003 read with order 1 Rule 10 (2) of the Code of Civil Procedure, 1908 before the Commission, seeking the changes as requested by BESCOM in the OP 21 / 2020.

The Commission, in exercise of powers conferred by Section 16 of the Electricity Act, 2003 (Central Act No 36 of 2003) and the Clause 46 of CoS, hereby proposes to make further amendments to the various Clauses of the Regulations as indicated above;

Hence, the following draft amendments to the CoS, RoE and the Security Deposit Regulations are published to invite comments / views / suggestions / objections from the stakeholders, general public and interested persons. Stakeholders, interested persons may file their comments / views / suggestions / objections, if any, on the proposed amendments to the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (Ninth Amendment), 2020, KERC (Recovery of Expenditure for Supply of Electricity) (Eleventh Amendment) Regulations, 2020 and KERC (Security Deposit) (Second Amendment) Regulations, 2020 **within 30 days from the date of publication of the draft in the State Gazette before the Secretary, KERC, # 16C-1, Millers Tank Bed Area, Vasantha Nagar, Bengaluru 560 052.**

In view of the prevailing Covid 19 situations, the Commission has decided NOT to conduct public hearing in the matter.

Draft

1. Title and commencement. –

- a) This may be called as,
 - i) the Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS) (Ninth Amendment), 2020,
 - ii) the KERC (Recovery of Expenditure for Supply of Electricity) (Eleventh Amendment) Regulations, 2020 and
 - iii) the KERC (Security Deposit) (Second Amendment) Regulations, 2020.
- b) It shall come into force from the date of its publication in the Official Gazette of the Karnataka State.
- c) It shall apply to all the Licensees engaged in the business of distribution of electricity and the consumers of electricity in the State of Karnataka.

2. Amendment of certain clauses. –

- i) In the **Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006**, the existing Clauses mentioned in the Column – 2 of table below shall be substituted by the Clauses mentioned in the Column – 3.

1	2	3
Clause No:	As existing	As amended / inserted
3.02 3.02 (b)	<p>CLASSIFICATION OF SUPPLY</p> <p>AT 400 V., 3 PHASE</p> <p>All installations below 50 kW (67 HP / 59 kVA) of sanctioned load (inclusive of lighting load).</p> <p>Note: The Consumer has the option to avail himself of supply at High Tension even if the requisitioned load is less than 50 kW. The minimum C.D. in such cases shall be 25 kVA.</p>	<p>No change.</p> <p>No change.</p> <p>All installations up to and inclusive of 150 kW (201 HP / 176 kVA) of sanctioned load (inclusive of lighting load).</p> <p>However, in respect of temporary installations power supply at 400 V, 3 phase shall be arranged to a maximum extent of 50 kW / 67 HP.</p> <p>Note: The Consumer has the option to avail himself of supply at High Tension even if the requisitioned load is less than 150 kW. The minimum C.D. in such cases shall be 25 kVA.</p>
3.02 (c)	<p>HT SUPPLY, 3 Phase, 50 C/S, 11 / 13.2 kV available in the locality.</p> <p>All installations with a Contract Demand of 50 kW / 59 KVA and above up to and inclusive of 2000 kVA.</p>	<p>HT SUPPLY, 3 Phase, 50 C/S, 11 / 13.2 kV available in the locality.</p> <p>All installations with a Contract Demand of 151 kW / 177 kVA and above up to and inclusive of 2000 kVA.</p> <p>Temporary installations with a Contract Demand of 51 kW / 60 kVA and above up to and inclusive of 2000 kVA.</p>
4.10	New	<p>CRITERIA FOR ARRANGING POWER SUPPLY UNDER EASE OF DOING BUSINESS (EODB);</p> <ol style="list-style-type: none"> 1. Applicable to the Cities as notified by the Government of Karnataka from time to time. 2. Applicable for arranging power supply only for single installation in the premises. 3. Applicable to the Category of consumers - Educational institution, Hospital, Warehouse Commercial, EV charging station, Industry on permanent basis. 4. Applicable to the prospective consumers seeking power supply with a requisitioned load of 50 kW and above up to 150 kW, for whom 400 V, 3 phase Power supply can be arranged. The Consumer has the option to avail himself of supply at High Tension even

1	2	3
Clause No:	As existing	As amended / inserted
		<p>if the requisitioned load is between 50 kW and 150 kW.</p> <p>5. Applicable for location of installation requiring a maximum line extension of 500 meters from the nearest available source.</p> <p>6. The Applicant shall mandatorily furnish the following documents while seeking power supply under EODB;</p> <p>a) Proof of identity,</p> <p>b) Proof of ownership,</p> <p>c) Occupancy Certificate,</p> <p>d) Scanned copy of power supply agreement.</p> <p>7. The applicant shall furnish online the self-declaration along with the application as per Annexure - 12 of Conditions of Supply for the following documents:</p> <p>a) Partnership deed in the case of a partnership firm or Memorandum of Association & Articles of Association and Certificate of incorporation, in the case of a Limited Company / Limited Liability Partnership firm as per clause 4.02.</p> <p>b) Contractor's completion cum test report, wiring diagram as per clause 4.06.</p> <p>c) Installing solar water heater as per clause 4.03.</p> <p>d) Sanctioned plan of the building as per clause 9.01.</p> <p>e) Valid license to carry on any trade / business or profession provided under any law as per clause 4.02.</p> <p>f) Name plate details of the machinery installed as per clause 8.03.</p> <p>g) Other statutory approvals from CEIG, Lift, Fire Department, Pollution Control Board etc.,).</p>

1	2	3
Clause No:	As existing	As amended / inserted
		<p>8. The documents indicated at serial number (7) shall be uploaded online within 30 days from the date of service, failing which the installation will be liable for disconnection.</p> <p>9. The applicant shall pay the amount through online payment mode towards the expenses in providing any electric line or electrical plant as indicated under Clause 3.1.1 (A) & (B), initial security deposit, Meter Security Deposit, if any and other charges at the time of registering the online application.</p> <p>However, in case of self-execution works the Applicant shall pay supervision charges at 10% of estimated cost & such supervision charges shall be payable by the applicant in First energy bill as claimed by the Licensee.</p> <p>Note:</p> <p>1) The applicant not falling under the above criteria have to avail power supply under normal procedure.</p> <p>2) Other conditions stipulated in Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka, 2006 & KERC (Recovery of Expenditure for Supply of Electricity) Regulations, 2004, their subsequent amendments and other regulations in force need to be followed.</p>
9.09 (e)	<p>METERING OF BUILDING WITH MIXED LOADS</p> <p>For buildings having requisitioned load of combined residential and commercial loads less than 100 kW, the power supply shall be arranged on LT basis with individual meters to each of the installations irrespective of whether it is commercial or domestic installation. Billing shall be done at appropriate Tariff.</p>	<p>METERING OF BUILDING WITH MIXED LOADS</p> <p>For buildings having requisitioned load of combined residential and commercial loads less than 150 kW, the power supply shall be arranged on LT basis with individual meters to each of the installations irrespective of whether it is commercial or domestic installation. Billing shall be done at appropriate Tariff.</p>

By the Order of the Commission

Secretary
Karnataka Electricity Regulatory Commission

ANNEXURE – 12

Declaration

I _____ Son / Daughter of _____ Resident of _____ (hereinafter referred to as “Applicant”, which term shall mean and include executors, administrators, heirs, successors and assigns), do hereby swear and declare as under:

Or

The _____ a company incorporated under the provisions of the Companies Act, 1956 or as amended, having its registered office at _____ (hereinafter referred to as “Applicant”, which expression shall, unless repugnant to the context or meaning thereof, include its successors and assigns), through its Authorized representative Mr. _____ do hereby swear and declare as under:

Or

A sole proprietorship / a partnership firm having its office at _____ (hereinafter referred to as the “Applicant” which unless the context otherwise provides includes its successors and assigns), through Mr. _____, who is a partner or an authorized representative do hereby swear and declare as under:

THAT the Applicant is a lawful occupant of the premises at _____ (hereinafter the “premises”).

THAT the Applicant has requested the licensee to provide a service connection at the above mentioned premises in the Applicant’s name for the purpose mentioned in the application form.

THAT in furnishing the present Declaration, the Applicant has clearly understood that should any of the statements or the documents submitted in connection with this declaration prove to be false, incorrect or fraudulent at any stage the licensee shall be within its lawful rights to disconnect supply to the premises without any prior notice and proceed to adjust electricity supply dues payable by the applicant against Consumer security deposit and /or recover the same in accordance with law & initiate action in accordance with the penal code.

THAT the Applicant has complied with all the requirements under the relevant statutes for the time being in force and the Applicant himself / herself shall be held legally responsible for any issue arising out of any such noncompliance for which the licensee may initiate action in accordance with the applicable laws.

THAT, I the Applicant hereby agree and undertake:

1. That in case the applicant is not the sole owner of the premises, no objection certificate for seeking electricity connection from the co-owner has been obtained.
2. To indemnify the licensee against all proceedings, claims, demands, costs, damages, expenses that the licensee may incur by reason of a fresh service connection given to the Applicant.
3. That to the best of applicant’s knowledge, all electrical works done within the premises are as per Central Electricity Authority (Measures relating to Safety and Electricity Supply) Regulations, 2010 as amended from time to time. The electrical infrastructure works, which includes HT

- breaker, Transformer, MSB (>15m height), LT cable, LT switchgear and LT load (applicable for HT installations)) are carried out at applicants' premises & the Applicant has obtained the drawing and commissioning approval from CEIG, GoK. The copy of the same is available with the applicant.
4. That the internal wiring at the premises has been tested by a Licensed Electrical Contractor and the certified test certificate is available with the applicant.
 5. That the Solar water heating system has been installed in the building as per the Government of Karnataka Notification No: EN 396 NCE 2006 dated: 13.11.2007 wherein the Solar water heating system is mandatory.
 6. That the building has been constructed as per prevalent building Bye-Laws and the total height of the building
 - i. ☐ Does not exceed 15 (fifteen) meters on the date of seeking service connection; **Or**
 - ii. ☐ Is more than 15 (fifteen) meters and Electrical Inspectorate approval, Fire Clearance certificate is available with the applicant.
 7. That the building has been constructed as per prevalent building Bye-Laws and the total built up area of the building
 - i. ☐ Does not exceed 800 sq. meters on the date of seeking service connection; **Or**
 - ii. ☐ Is more than 800 sq. meters and sanctioned building plan from the competent authority is available with the applicant.
 8. That, if there is a provision of lift in the premises, the applicant has obtained the lift fitness certificate from the Electrical Inspector for the lift in the said premises and the same is available with him.
 9. That the list showing the name plate details of machinery such as make, capacity and layout plan of the premises with in which he intends to make use of the power after installation of the machinery is available with him.
 10. That the applicant has applied for the correct category of Tariff as per the applicable tariff schedule. For the following categories of connection, the applicant has the relevant documents available with him.
 - Commercial / Industrial: Valid License to carry on any trade, business or profession provided under the relevant laws.
 11. The above referred applicable documents /certificates indicated at various points are available with me and can be inspected by the Licensee at any time. I further, agree to provide / upload the said documents in the online application platform within 30 days from the date of servicing of the installation. In case of any failure to produce the same, the licensee may disconnect the electricity supply connection granted owing to such failure, reluctance on my part to produce / allow the inspection of said documents / certificates.
 12. That I will provide a copy of any of above applicable documents to the licensee pursuant to request of any external government agency, judicial forum or any other authority seeking such information.
 13. That my industry / trade has not been declared to be releasing obnoxious hazardous / pollutant by any government agency and that no orders of any court or judicial authority would be breached by running of my industry / trade or granting any electricity connection to the same. The licensee is indemnified against any loss accrued by the applicant on this account.
 14. The Applicant further agrees to indemnify and hold harmless, BESCO and / or its successors and / or its employees, in case of any injury or incident on account of any fault in electrical works in the Premises and from point of supply to the Premises, BESCO shall not be held responsible / liable for any mishap or incident occurring at the Premises or from point of supply to the Premises on account of any faulty / defective / inferior quality wiring / installation, right from the time of energizing the new electricity connection. On occurrence of such incident,

BESCOM may disconnect the Applicant's supply, if continuance of supply to such Installation is a threat to the life or property. Such disconnected supply shall be reconnected only after rectification of faulty installation and submission of test report from Licensed Electrical Contractor / appropriate authority.

15. The applicant further agrees to bear the expenses towards repairing/ replacement of BESCOM assets or works, in case there is sufficient proof that the damage/ fault has been occurred due to faulty electrical work/wiring in his premises.
16. That the Applicant shall not hold BESCOM liable for delay in providing connection or meeting any Standards of Performance subsequent to grant of connection in case BESCOM is prevented from doing so on account of any force majeure events/exemptions as specified in the Standards of Performance Regulations, as amended from time to time.
17. To pay the electricity consumption bills and all other charges at the rates set out in the licensee's Tariff Schedule and miscellaneous charges for supply as may be in force from time to time, regularly as and when the same becomes due for payment.
18. To pay supervision charges at 10% of the estimated cost in case of self-execution works in First energy bill as claimed by the Licensee.
19. To deposit the additional security deposit and additional service line cum development (SLD) charges, if any, from time to time based on the prevailing Orders / rules, directions and Regulations of the Commission.
20. To abide by the provisions of the Electricity Act, 2003, all applicable laws, conditions of Supply / Tariff Orders and any other Rules or Regulations as may be notified by the Commission, as applicable from time to time.
21. That licensee shall be at liberty to adjust the electricity consumption charges due / outstanding along with any other charges against the Consumer security Deposit paid by the Applicant, in the event of termination of the agreement prior to expiry of the contracted period or in case of any contractual default as per provisions of regulations / rules / orders / directions of the Commission.
22. That there are no arrears towards energy or related charges outstanding in his / her name and / or on account of the said premises. In the event of aforesaid declaration / undertaking given by the applicant / consumer is found false in view of any pre-existing liability, the applicant / consumer shall willfully, without demur pay such amount on demand. The Consumer / applicant shall be duty bound to extend full co-operation to BESCOM while determining and / or identifying the arrears, if any, of the premises or account no, within a period of 60 days. The applicant / consumer shall make payment of the said arrears immediately on demand.
23. That as per KERC Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka and Standards of Performance Regulation 2004 or as amended from time to time, I shall provide suitable and adequate space for installation of the meter / electrical equipment's where the licensee may have ready access to the same.
24. To allow clear and Un-encumbered access to the meters for the meter reading and it's checking etc.
25. That the Applicant would let the licensee disconnect the service connection under reference, in the event of any default, non-compliance of statutory provisions and in the event of a legally binding directive by Statutory Authority (ies) to effect such an Order. This shall be without

prejudice to any other rights of the licensee including that of getting its payment as on the date of disconnection.

26. That my premise in respect of which the electricity connection is being sought does not come under the virgin territory. A territory / location is considered as virgin territory if the same is beyond 500 meters from the nearest available source.

27. All the above declaration given by the Applicant shall be construed as an Agreement between the licensee and the Applicant.
